Part number withdrawal (for a program not withdrawn from marketing)

The IBM part numbers specified in this announcement will be withdrawn from marketing. IBM will accept orders for these part numbers no later than three days prior to the effective date of withdrawal. Normal marketing activities and educational support will not be available unless previous agreement exists between the customer and IBM.

Customers having these part numbers installed or on order will continue to receive program support in accordance with the applicable IBM agreement.

Technical support

See the [IBM Support Portal](#) website for product support information.

Technical support continues to be available. The end of support for these products will be announced a minimum of 12 months before the termination.

Announcement countries

All European, Middle Eastern, and African countries except Islamic Republic of Iran, Saudi Arabia, South Sudan, Sudan, and Syrian Arab Republic.

Trademarks

Optim and DB2 Connect are trademarks of IBM Corporation in the United States, other countries, or both.

IBM, DB2, IBM PureData, Express, pureScale, InfoSphere, z/OS, System z, System i, pureXML, BLU Acceleration and AIX are registered trademarks of IBM Corporation in the United States, other countries, or both.

Other company, product, and service names may be trademarks or service marks of others.

Terms of use

IBM products and services which are announced and available in your country can be ordered under the applicable standard agreements, terms, conditions, and prices in effect at the time. IBM reserves the right to modify or withdraw this announcement at any time without notice. This announcement is provided for your information only. Reference to other products in this announcement does not necessarily imply those products are announced, or intend to be announced, in your country. Additional terms of use are located at
